

## Seppic launches SEPIFILM™ White TF for the pharmaceutical market.

**Launched in November 2017 for dietary supplements, SEPIFILM™ White TF is now available for the pharmaceutical market.**

In order to meet emerging customers' needs, SEPIFILM™ White TF, now EXCiPACT™ certified, has all the regulatory and technical information necessary for the pharmaceutical market.

SEPIFILM™ White TF is a white coating agent without titanium dioxide. It does not compromise on the quality: ready-to-use, easily handled with classical coating parameters, it ensures a white color and strong opacifying properties, efficiently covering the tablet core.

**Hélène Pallu, Market manager for pharmaceutical excipients, stated: "With SEPIFILM™ White TF, Seppic meets new pharmaceutical customers' demands. SEPIFILM™ White TF is an innovative solution for our customers looking for alternatives without titanium dioxide".**
