Soft soap

Moisturized skin

Soft after feel, creamy foam

A	Olea Europea (Olive) Fruit Oil	49,10%
	Butyrospermum Parkii (Shea) Butter	20,00%
	MONTANOV™ 202	2,00%
	Aqua/Water	Qsp 100%
	NaOH (sol. 48%)	8,72%
<hr/>		
B	Parfum	2,00%
	Illite/Kaolin	1,00%
	AQUAXYL™	1,50%

White soap, grooved shape

STABILITY : 1M at RT

FORMULATION ADVICE: Pilot scale - 2500 g - Ultra Turax
Cold saponification

Mix oils & MONTANOV™ 202 in the beaker, 40°C. Once melted, pour NaOH under stirring. Let the mixture cool down and observe the mark done by the mixer on the mixture. Add the rest of the ingredients (perfume, dye, AQUAXYL™). Homogenisation and add shea butter. Manual whisk. Then, pour the final mixture in the moulds. Let it dry for minimum 24 hours before removing from the moulds, and wait for 3 weeks before use.

A natural moisturizing formula that respects the well-being of your skin !

A simple combination of ingredients for a nourished and protected skin !

AQUAXYL™ increases the volume and sensory profile of the foam and avoids the cracking phenomena of a soap !

(Xylitylglucoside and Anhydroxylitol and Xylitol)

Acting as a **hydrating active ingredient** coming from the patented association of sugars, AQUAXYL™ moisturizes and restructures the skin by harmonizing the hydric flow. Its use in foaming formulas **considerably improves the visual aspect of the soap** avoiding the cracking phenomena. It offers a **creamier foam** for a noticeably softer and more hydrated skin.

MONTANOV™ 202 stabilises the soap bringing cohesion. It makes the start of the foam easier with a soft and creamy touch.

(Arachidyl Alcohol and Behenyl Alcohol and Arachidyl Glucoside)

ADDITIONAL INGREDIENTS : Olea Europea Fruit Oil : Huile d'olive vierge biologique (OLVEA) / Butyrospermum Parkii Butter : Kaïrité Première Pression Raffinée Biologique (OLVEA) / NaOH : Soude Caustique solide (GACHES CHIMIE) / Parfum : Citrus Aurantium Dulcis (Orange) Peel : Orange douce (HE) Bio (SIRIUS) / Illite : Argile rouge (ACTIIBIO)

A formula related to SOLID COSMETICS concept.
